**Chuck Sinatra Campagnet
THE RAT PACK SUMMIT
San Francisco, California**

Dear Chuck

The S.F. Chronicle article in front of me reads:

**"FRANK SINATRA'S RAT PACK VISITS MAYOR WILLIE
BROWN"**

On behalf of the people of San Francisco, I want to thank you for your contribution to our HERB CAEN DAY CELEBRATION of the CITY.

Over 70,000 people enjoyed the parade and stage show, and the event received national television coverage. An early report in the Midwest aired a clip which they claimed was Sinatra with the actual Rat Pack. That rumor lasted only until you brought me on stage to join you singing "My Way" !

Your "Tony Bennett Tribute" to San Francisco was an added treat. Thank you for your love of San Francisco for your passion to brilliantly perform the greatest music America has created.

Warm regards,
