Dear Chuck

Now that the SYMPHONY AUCTION is behind us, we wanted to let you know just how pleased we were with your entertainment and support of the event.

We continue to collect great reviews from our members and donors, for the great swing music at dinner, for the fabulous live show, and for your support as Frank Sinatra calling our Live Auction.

Thanks for accommodating all the many requests, and for raising the excitement of the crowd for a very exciting evening of fun and fund-raising!

Sincerely,

*Elizabeth*
